The screenshot displays the GÉORISQUES website interface. At the top left, there are logos for the French Republic and the Ministry of Ecology, Sustainable Development and Energy. The main header features the GÉORISQUES logo with the tagline "Mieux connaître les risques sur le territoire" and the word "Argiles". A search bar is located at the top right. Below the header is a navigation menu with items: Accueil, Ma maison / Mes risques, Cartes interactives, Dossiers thématiques, Téléchargement, Glossaire, and Aide. The breadcrumb trail reads: Accueil » Dossiers thématiques » Aléa retrait-gonflement des argiles » Carte. The main content area is titled "Argiles" and shows an interactive map of the Auvergne region. The map uses a color scale from green (low risk) to red (high risk) to indicate the level of risk from clay shrinkage and swelling. The map includes various interactive tools such as zoom in/out, pan, and a search function. A scale bar at the bottom indicates 10 km, and the map is projected using Lambert 93 with coordinates X: 678014.34 Y: 6485293.68 and a scale of 1/500 000. The footer contains the website's name, "Ministère de l'Écologie, du Développement Durable et de l'Énergie", and links for Contact, Plan du site, Mentions légales, Liens, and Flux RSS.
